Heavy Duty and Reliable

The heavy duty cast housing and polycarbonate dome makes this camera invincible to driving rain, snow, prisoners, vandals, thieves and the likes thereof. The tough metal housing is held together by tamper resistant hardware and uses a heavy duty rubber seal. These domes come with a powerful 4mm ~ 9mm varifocal zoom lens. Mounts on almost any wall, ceiling, over or overhang. These cameras utilize the new Sony Super HAD CCD, which delivers stunning resolution and extreme low light ratings. Operates on 12 volts DC, includes a one year warranty and a 30 day money back guarantee.

Four Cameras

We offer this series in a couple different options. Our MD20 is a black and white version with 420 lines of resolution and 0.1 lux, while the MD20HR offers 600 lines of resolution and 0.2 lux. Or CD20 is our color version of the camera and provides 380 lines of resolution at 0.2 lux while the CD20HR offers 470 lines at 0.4 lux.
