### Stunning Images

Our new ultra-high res low lux dome camera features a 6-50mm varifocal auto iris zoom lens to provide crystal clear images from both close and long range . The Sony super HAD color CCD chipset produces a vibrant 550 lines resolution and a low 0.05 lux rating for clarity in lower-light situations.

### Additional Features

This IP66 rated weatherproof, vandal-proof dome features a day/night filter that allows you to select light levels for auto switch to low-light B/W. Includes 4-zone privacy masking for sensitive areas such as dressing rooms, bath rooms, and ATM keypads. Additionally, 4-zone motion detection can be set to activate your DVR to record only the activity you want, without using up valuable storage space. On screen display menus allow easy access to all functions. Includes both flush and surface mount options, 12/24v dual power. Comes pre-installed with plug and play video/power cables, mounting base, connection instructions, 1 yr warranty and 30 day money back guarantee.
