**Includes a 1 year warranty and a 30 day money back guarantee.**

### High Resolution IR Dome Cameras

The CD25 and CD 26 camera series are based off of our popular CD21 camera with a unique case design that makes these cameras virtually grip and kick proof. We have added a powerful zoom lens, adjustable IR array and an active UTP to send video up to 4,000 feet down twisted pair. The Sony chipsets produces either 420 lines (CD25IR, CD26IR) or 540 lines of resolution (CD25IR-2, CD26IR-2) and has a 0 lux rating which allows you to see up to 50 feet in total darkness. The powerful zoom IR corrective aspherical auto iris lens has a range from either 3-9mm (CD25IR, CD25IR-2) or 9-22mm (CD26IR, CD26IR-2)

### Additional Features

These domes are versatile and unobtrusive, and are easy to mount anywhere. Encased in a virtually indestructible aluminum metal alloy vandal resistant housing, you will be sure to get the evidence every time. Comes with instructions, a one year warranty and 30 day money back satisfaction guarantee.
