Tough and Durable

When we got these new vandal proof & weatherproof dome cameras in our hands we knew we had a winner. It just FEELS solid. The heavy duty cast housing and polycarbonate dome make it invincible to driving rain, snow, prisoners, vandals, thieves and the likes thereof. The tough metal housing is held together by tamper resistant hardware and uses a heavy duty rubber seal.

Outstanding Quality

The CD34 uses the latest 1/3 high resolution SONY Super HAD CCD color CCD offering a brilliant 550 lines of resolution. Getting the exact field of view is done in just seconds with its powerful 4-9MM varifocal zoom lens. Built-in infrared illuminator are automatically triggered by a photocell circuit as needed to provide night time illumination. Mounts on almost any wall, ceiling, eve or overhang. Operates on 12 volts DC. Size is 5.5" in diameter and 4" tall. 1 year warranty and 30 day money back guarantee.
