Super Tough and Super Small

This new super tough mini zoom dome camera is a perfect choice for demanding applications, including harsh weather installations and vandalism prone areas. It's perfect for all of your indoor and/or outdoor security needs! Only 3" in height and 4.1" in diameter, this mini dome security camera will fit virtually anywhere!

Versatile and Powerful

The amazing Sony CCD chipset produces a stunning 480 lines of resolution and provides a 0.5 low lux rating. The versatile and powerful 4-9mm auto iris zoom lens allows you to dial in the exact field of view you need. It comes in an all metal case, and includes a handy mounting bracket allowing for easy mounting and camera setup. The CD41 runs off of 12V DC and comes with pre-installed plug and play cables. It also includes a one year warranty and a 30 day money back guarantee.
