

17in LCD Monitor w/VGA

1280 x 1024 Resolution

This security-grade LCD monitor generates crisp lines and images. This 17" monitor offers VGA and audio inputs. Fast response time provides superior clarity with 4:3 aspect ratio to avoid image stretching.

This LCD monitor is designed specifically for use in security applications.

The LCD17V-6 is a perfect LCD monitor for those looking for an excellent investment when upgrading older CRTs or LCDs. With a 700:1 contrast ratio, 300cd/m² brightness and a 5ms response time, the LCD17V-6 has a small footprint when desk space is at a premium.
