

Vandal-Resistant Dome Camera with Digital Wide Dynamic Range

Digital Noise Reduction reduces the amount of electronic noise in captured video giving you superior image quality

This high resolution day/night color outdoor dome camera is super tough, vandal resistant, and weatherproof. Versatile and unobtrusive, it is easy to mount anywhere, and the fully adjustable 3-axis smart bracket and built in 2.8-12mm auto iris lens allows you to get the view you need.

Advanced features include Digital Noise Reduction and Digital Wide Dynamic Range:

- **Digital Noise Reduction (DNR)** eliminates some of the pixilated effect common to all video signals, delivering a sharper image with greater definition of details.
- **Digital Wide Dynamic Range (D-WDR)** uses a single scan of an image to optimize the contrast between the brightest and darkest points in the image.

This outdoor dome camera operates on dual voltage and uses the latest 1/3" Sony Super HAD II CCD imager, giving you 600 lines resolution and 0.001 lux low light rating.

Encased in a tough, rugged aluminum metal alloy vandal resistant housing with a polycarbonate dome, this IP65 weatherproof rated high resolution dome camera can withstand the harshest environments.

KEY FEATURES

- » 1/3" Sony Super HADII CCD chipset
- » Day/night
- » 600 lines color resolution
- » 0.001 lux low light rating
- » 2.8mm-12mm auto-iris lens
- » Advanced features include Digital Noise Reduction, and Digital Wide Dynamic Range
- » 3-Axis Smart Bracket adjusts to any angle
- » Weatherproof rated to IP65
- » Dual voltage

Comes with cable, instructions, foam mounting base, 1-year warranty and 30-day money-back guarantee.
