

# Universal Security Camera Mounting Bracket

Easily mount cameras to acoustic "drop" ceilings or conventional ceilings or walls

This universal security camera mounting bracket lets you quickly and easily mount cameras to acoustic "drop" ceilings or conventional ceilings or walls, making installation easy. The mount rotates a full 360 degrees and swivels up to 120 degrees. The camera mount is made from enamel painted steel and uses 1/4 in x 20 threads throughout so all parts are interchangeable.

## INCLUDES:

- » 1 in mounting head adjustable up to 180 degree
- » 2 in drop ceiling "X" clip
- » 2 3/8 in free-standing / wall mount base
- » Two 2 in long shafts
- » One 1 in shaft

## KEY FEATURES

- » 12 possible combinations
- » Adjustable up to 180 degrees
- » 1/4 in/20 threads throughout
- » All parts interchangeable
